THE  
GOLDEN ANNIVERSARY  
OF  
WOODROW WILSON  
HIGH SCHOOL  
1937-1987

Woodrow Wilson High School was founded in 1937. The structure that is now the administration building of El Sereno Junior High was completed in 1941. For the first three years classes were held in tents and old bungalows. The school's first woodshop was previously Farndale Elementary School. The gym was built just before World War II and completed in 1942. The first senior class graduated in January 1940. There were 25 seniors in the class.

Fourteen Wilson boys died in defense of their country as members of the armed forces in World War II.

In 1970 Wilson High moved to it's new campus with a magnificent view on top of a hill. On a clear day you can see Catalina Island to the south and Mt. Baldy to the north. The old school on Eastern Avenue became El Sereno Junior High. Those teachers who took part in that historic move will never forget it; books, boxes and equipment were stacked everywhere. But school went on. Our new campus was the envy of every high school in the area. Wilson High has become the major landmark of the community of El Sereno with the best of both worlds; a new school with an old tradition.

## A VERY SPECIAL TRIBUTE TO A VERY SELECT GROUP

On our 50th anniversary it is appropriate that we acknowledge the achievements and contributions to our school of those faculty members who graduated from Wilson High. Your memories, your insights and your respect for the traditions of our school are appreciated. It says something special about Wilson High that so many former students have returned as teachers and have remained throughout the years.

Thanks to each and every one of you.

# A TRIBUTE TO THE LADIES IN THE CAFETERIA

This is a tribute to the ladies who make school life a little easier. Even though school life isn't to easy for them, because they have to feed about 2000 students each day, they haven't let the students down once. We appreciate their dedication and hard work throughout this year and we would also like to thank them for making school seem like a home away from home.

Another outstanding season for Coach Guajardo's Varsity Cross Country Team. Only one defeat in dual meet competition by, you guessed it, Belmont High. Again the Mules finished second to Belmont High in the city finals by a score of 60 to 83.

Congratulations to coach Guajardo and Captain Randy Little. We are proud of our team and are going to work until we win the championship. Coach Guajardo is looking for good runners. Look out Belmont, we're right behind you!

# GIRLS CROSS COUNTRY

1986  
CITY  
CHAMPIONS

Sandra Rodriguez, City Champion

The Wilson High School Girls Cross Country team won the city championship at Pierce College, thus capping an exceptional harrier season.

Sandra Rodriguez and Arcelia Gomez finished 1-2 in the race, and in the City Finals at Pierce College, Sandra set a course record with a time of 17:49 for the three-mile race, thus becoming the first high school girl to run the Pierce College course in less than 18 minutes.

Sophomore Arcelia Gomez finished second behind Sandra with a time of 18:05, a course record for 10th graders.

This is the first time in the history of Wilson High School that the Girls Cross Country team has won the city championship. Our congratulations to all the girls on the team and to Coach Guajardo. Maybe next year we can do it again!!! Run Big Blue!

After eleven consecutive losses the Big Blue Machine started to roll again scoring four straight wins and allowing only six points to be scored against the defense. The second half of the season was tough for the relatively small and inexperienced Mules scoring one victory versus three defeats. But things are looking up, Coach Avesian has twenty one members returning next year and Wilson should be a strong contender in the Freeway League. Team captains for 1986 were Mark Martinez and Carlos Pina. Outstanding players, offense, Henry Macias, Carlos Pina, Mark Martinez, Ronnie Garcia, Victor Ramirez, Angie Acevedo, and Zeke Quetzada. On defense, Jaime Urbina, David Flores, Art Garcia, Gabe Santana, Eddie Lopez, Andy Navarro, Len Sanchez, and Carlos Vatez. Coach Avesian felt that the most improved player was Len Sanchez.

# BEE FOOTBALL

The 1986 season had both high and low moments. There were some big wins and some tough losses. The team worked hard and it proved as the season wore on; however, the Bees lost three league games against formidable opponents. Because of these losses the performances of many talented ballplayers were overshadowed. Many of these ballplayers will have more chances in the future, since this was a young and inexperienced football team. The team captains this year were Mando Lojera, Eddie Blaneo, Johnny Chavez and Ruben Ramirez. The outstanding players were Ricky Cazarn, Hector Ramirez, Rudy Lopez, Humberto Gonzales, and Jerry Garcia as well as the captains already mentioned.

## BEE FOOTBALL 1986

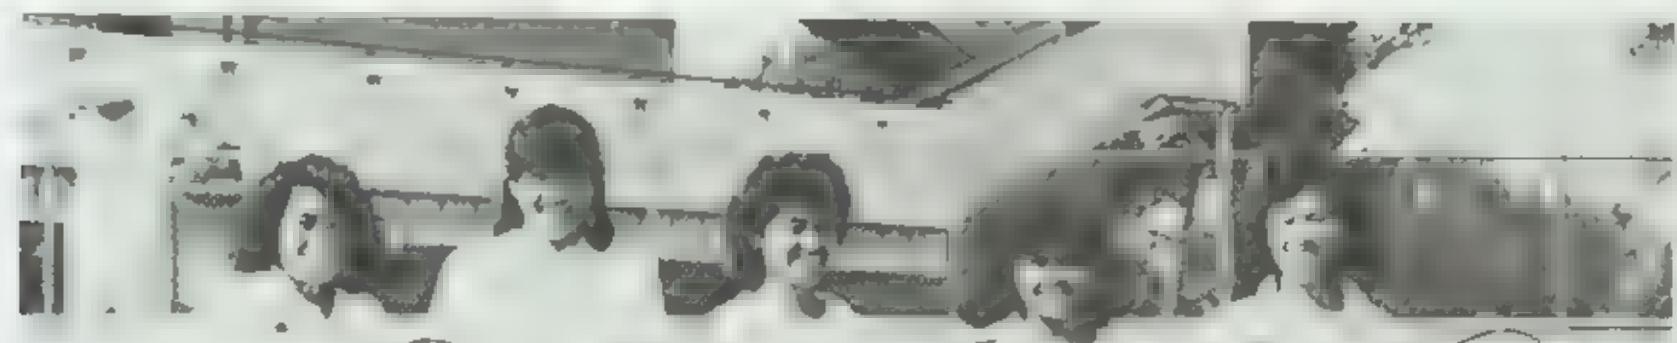

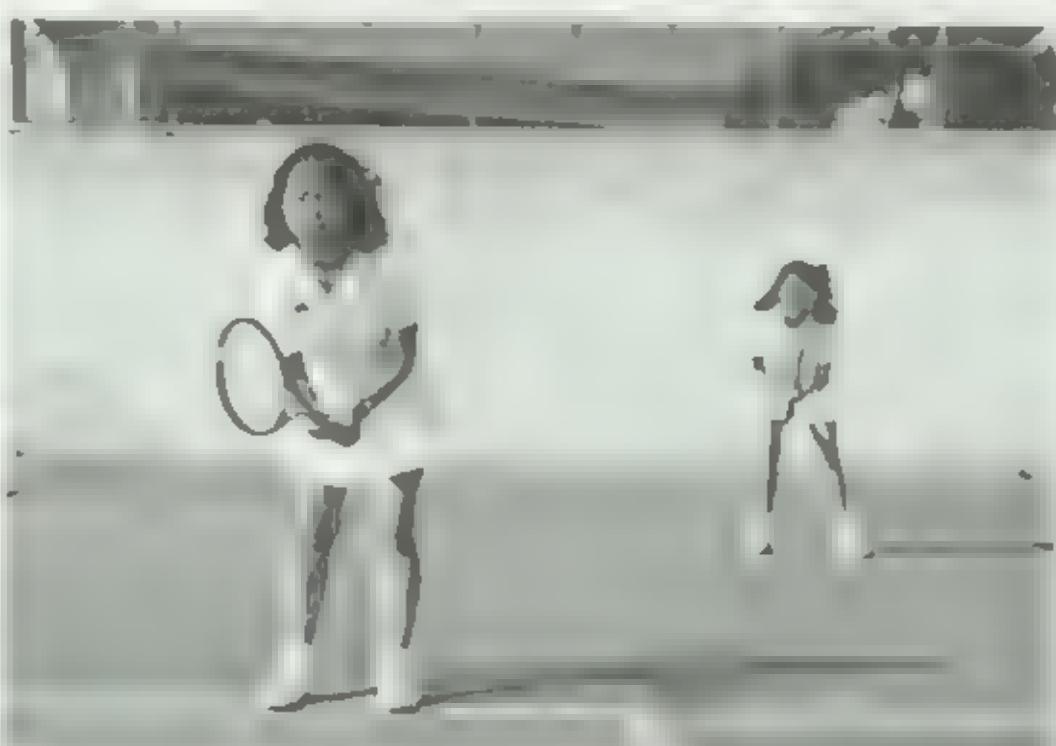

## THE BIG BLUE MACHINE 1975-1978

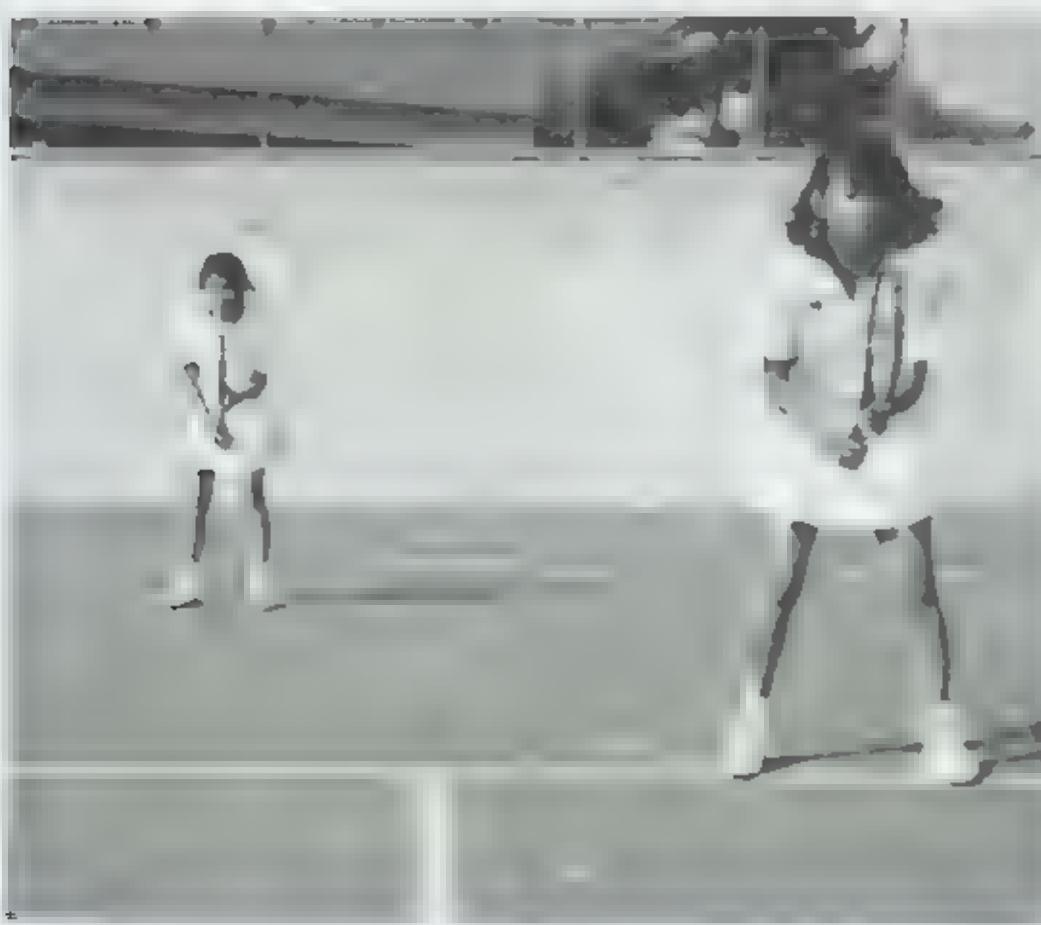

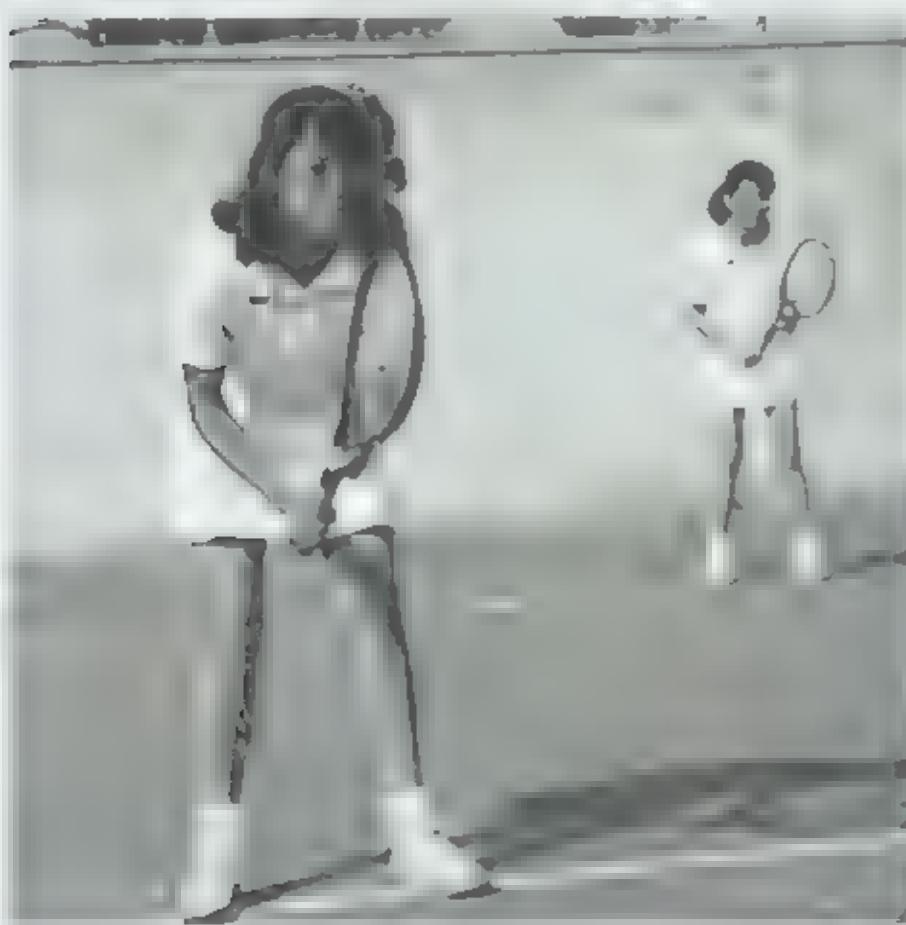

The Big Blue Machine was unstoppable under Coach Vic Cuccia 1975-77 and Coach Stan Katase in 1978 our football teams compiled a record of 51 wins, 1 loss and 0 ties. With Ron Cuccia at quarterback the Mules were undefeated and won three consecutive 3A championships, 1975-77. The following year under Coach Stan Katase with Steve Clarkson at quarterback the Mules retained the 3A championship. Ron Cuccia was 3A player of the year three consecutive times, 1975-77. Steve Clarkson was 3A player of the year for 1978. It was the greatest period in the history of Wilson High Athletics. "GO BIG BLUE!"

# GIRLS TENNIS TEAM

The 1986 girls Tennis Team started their search in October, but the practices began early in September. The girls worked hard to get back in shape for the season. This year two top players were Sharon Lee and Uyen Thy Tran. This years team had spirit and determination and they were able to come out with an impressive 4th place.

## VARSITY VOLLEYBALL

We had an experienced Varsity Volleyball team this year. They were a promising team, but they had a hard time getting their act together. But with the coaching of Mr. Rightmer and the experience gained through this season we can expect a more successful season next year.

Melody Jones is the kind of girl every girl wants to be because she's honest, straight forward and uninhibited. The kind of girl every boy likes because something about her starts him singing. The kind of girl every father adores because she gives him headaches, heartaches, and the joyful life. But all of the joy went out of Melody and Melody's family when her cousin told Melody that she was adopted.

# IN MEMORIAM

Rhonda Chavez

Jennifer Ponce

The students and teachers of Wilson High extend their most sincere sympathies to the parents of Jennifer and Rhonda. The death of a loved one is always difficult to accept and especially so if they are young. We miss Jennifer and Rhonda. We miss their smiles and laughter, their friendship and those special qualities that made them unique and special. We will carry the memories of our two friends in our hearts always. We know your sorrow is great. But God is good and we know that he will grant you the strength and courage that you need at this time.

# HOOFPINTS STAFF 1987

Another year and a new edition of Hoofprints. There were many pictures to take and many write-ups and lay-out to create before we reached our goal. We would like to thank these special people who worked hard to bring you this special yearbook. We hope you will discover that memories improve with age. Good luck! Hope we meet again!
